

Bespoke Invitation Design

Let's get started on creating your custom invitation:

- ☐ Yes, I understand there is a \$30 upfront design fee, which covers 3 initial design drafts and 3 amendments to the chosen design.

If you require more than 3 amendments to the chosen design, changes will be charged at an hourly rate of \$30, in increments of 15 minutes.

This is how I would like my invitations:

Please provide any ideas you have for the invite, along with relevant wording (date, time, venue etc) and if you have a preference for colours and/or fonts (or font styles)... the more information you provide, the better I will be able to interpret your vision! Please feel free to attach a photo of a design/s you like, although please note that due to copyright, I can not exactly replicate another person's artwork.
